

Accessing Library & Information Service Resources

To access the Library & Information Service website, follow the link from the Trust home page or go to www.sdhl.nhs.uk

To use specific Library & Information Service resources, follow the appropriate link. More information about these resources is available in your induction pack, or from the blue stand in the Library.

The Library & Information Service also offers training in using Library resources, including literature searching and using the Cochrane Library. For course dates and to book a place contact (01803) 656700.
